ARTICLE I

Membership

SECTION 1.1

Requirements for Membership

Any person, firm, association, corporation, or body politic or subdivision thereof will become a member of FERGUS ELECTRIC COOPERATIVE, INC., hereinafter called the Cooperative, upon receipt of electric service from the Cooperative, provided that:

- (a) A written application for membership therein;
- (b) An agreement to purchase from the Cooperative electric energy as hereinafter specified;
- (c) An agreement to comply with and be bound by the articles of Incorporation and Bylaws of the Cooperative and any rules and regulations by the Board of Trustees, hereinafter called the board; and
- (d) No member may hold more than one (1) membership in the Cooperative, and no membership in the Cooperative shall be transferable except as provided by these Bylaws.

SECTION 1.2

Joint Membership

A husband and wife or partnership may apply for a joint membership and, subject to the compliance with the requirements set forth in Section 1.1 of this Article, may be accepted for such membership. The term 'member' as used in these Bylaws shall be deemed to include a husband and wife or partnership holding a joint membership and any provisions relating to the rights and liabilities of membership shall apply equally with respect to the holders of a joint membership. Without limiting the generality of the foregoing, the effect of the hereinafter specified actions by or in respect of the holders of a joint membership shall be, as follows:

- (a) The presence at a meeting of any or all shall be regarded as the presence of one (1) member and shall constitute a joint-waiver of the notice of the meeting;
- (b) The vote of any separately or all jointly shall constitute one (1) vote;
- (c) A waiver of notice signed by any or all shall constitute a joint waiver;
- (d) Notice to any shall constitute notice to both;
- (e) Expulsion of any shall terminate the joint membership;
- (f) Withdrawal of any shall terminate the joint membership;

- (g) Any but only one (1) may be elected or appointed as an officer or board member, provided that all meet the qualifications for such office.

SECTION 1.3 Conversion of Membership

- (a) A membership may be converted to a joint membership upon the written request of the holder thereof and the agreement by such holder and his or her spouse to comply with the Articles of Incorporation, Bylaws and rules and regulations adopted by the Board Bylaws and rules and regulations adopted by the Board;
- (b) Upon the death of either spouse who is a party to the joint membership, such membership shall be held solely by the survivor.

SECTION 1.4 Membership Fees

There shall be no membership fee charged for membership in the Cooperative and any membership fee heretofore paid by any member shall be reimbursed.

SECTION 1.5 Purchase of Electric Energy

Each member, as soon as electric energy is available, shall purchase from the Cooperative electric energy used on the premises specified in application for membership, and shall pay therefore at rates which shall from time to time be fixed by the Board. It is expressly understood that amounts paid for electric energy in excess of the cost of service are furnished by members as capital and each member shall be credited with the capital so furnished as provided in these Bylaws. Each member shall pay to the Cooperative such minimum amount regardless of the amount of electric energy consumed, as shall be fixed by the Board from time to time. Each member shall also pay all amounts owed to the Cooperative as and when the same shall become due and payable. Production or use of electric energy on such premises, regardless of the source thereof, by means of facilities, which shall be interconnected with Cooperative facilities, shall be subject to appropriate regulations as shall be fixed from time to time by the Cooperative.

SECTION 1.6 Termination of Membership

- (a) Any member may withdraw from membership upon compliance with such uniform terms and conditions as the Board may prescribe. The Board may, by the affirmative vote of not less

than two-thirds (2/3) of all the members of the Board, expel any member who fails to comply with any of the provisions of the Articles of Incorporation, Bylaws or rules or regulations adopted by the Board, but only if such member shall have been given written notice by the Cooperative that such failure is liable to expulsion and such failure shall have continued for at least ten (10) days after such notice was given. Any expelled member may be reinstated by vote of the Board or by vote of the members at any annual or special meeting. The membership of a member who for a period of six (6) months after service, has not purchased electric energy from the Cooperative, or of a member who has ceased to purchase energy from the Cooperative, may be cancelled by resolution of the Board;

- (b) Upon the withdrawal, death, cessation or existence or expulsion of a member, the membership shall thereupon terminate. Termination of membership in any manner shall not release a member or estate from any debts due to the Cooperative;
- (c) Upon discovery that the Cooperative has been furnishing electric service to any person other than a member, it shall cease furnishing such service unless such person applies for, and the Board of Trustees approves membership retroactively to the date on which such person first began receiving such service, in which event the Cooperative, to the extent practicable, shall correct its membership and all related records accordingly.

ARTICLE II

Rights and Liabilities of Members

SECTION 2.1

Property Interest of Members

Upon dissolution after:

- (a) All debts and liabilities of the Cooperative shall have been paid, and;
- (b) All capital furnished through patronage shall have been retired as provided by these Bylaws; the remaining property and assets of the Cooperative shall be distributed among the members and former members in the proportion which the aggregate patronage of each bears to the total patronage of all members during the ten (10) years next preceding the date of the filing of the Certificate of Dissolution, or, if the Cooperative shall not have been in existence for such period, during the period of its existence.

SECTION 2.2

Non-Liability for Debts of the Cooperative

The private property of the members shall be exempt from execution or other liability for the debts of the Cooperative and no member shall be liable or responsible for any debts or liabilities of the Cooperative.

ARTICLE III

Meeting of Members

SECTION 3.1

Annual Meeting

The Annual Meeting of the members may be held on the first (1st) Saturday in June of each year beginning with the year 1986 as designated by the Board, or the Board may elect to set the meeting for two (2) weeks prior to the first (1st) Saturday in June or two (2) weeks later than the first (1st) Saturday in June at such place in the city of Lewistown, in the county of Fergus, State of Montana, as shall be designated in the notice of the meeting for the purpose of electing trustees, passing upon reports for the previous fiscal year and transacting such other business as may come before the meeting. If the day fixed for the Annual Meeting shall fall on a legal holiday, such meeting shall be held on the next succeeding business day. Failure to hold the Annual Meeting at the designated time shall not work a forfeiture or dissolution of the Cooperative. In the absence of the member holding a single membership, the spouse may vote.

SECTION 3.2

Special Meetings

Special meetings of the members may be called by Resolution of the Board, or upon a written request signed by any three (3) board members, by the President, or by ten (10) per centum or more of all the members, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within one (1) of the counties served by the Cooperative as designated by the Board and shall be specified in the notice of the special meeting.

SECTION 3.3

Notice of Members' Meeting

Written or printed notice stating the place, day and hour of the meeting and, in case of a special meeting or an annual meeting at which business requiring special notice is to be transacted, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) days no more than forty-five (45)

days before the date of the meeting, either personally or by mail, by or at the direction of the Secretary, or upon a default in duty by the Secretary, by the persons calling the meeting, to each member. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at the address as it appears on the records of the Cooperative, with postage thereon prepaid. The failure of any member to receive notice of an annual or special meeting of the members shall not invalidate any action, which may be taken by the members at any such meeting.

SECTION 3.4

Election and Credentials Committee

The Board of Trustees shall, at least ten (10) days before any meeting of the members, appoint a Credential and Election Committee consisting of an uneven number of members, not less than five (5) nor more than fifteen (15), who are not close relatives or members of the same household of, existing directors or known candidates for trustees to be elected at such meeting. In appointing the Committee, the Board shall have regard for equitable representation of the several areas served by the Cooperative. The Committee shall elect its own chairman and secretary prior to the member meeting. It shall be the responsibility of the Committee to establish or approve the manner of conducting member registration and any ballot voting, to pass upon all questions that may arise with the respect to the registration of members in person, to count all ballots cast in any election or in any other ballot vote taken, to rule upon the effects of any ballots irregularly or indecisively marked, and to pass upon any protest or objection filed with respect to any election or to conduct affecting the results of any election. In the event a protest or objection is filed concerning any election, such protest or objection must be filed within three (3) business days following the adjournment of the meeting in which the election is conducted. The Committee shall thereupon be convened, upon notice from its chairman, not less than seven (7) days after such protest or objection if filed. The Committee shall hear such evidence as is presented by the protester(s) or objector(s) who may be heard in person, by counsel, or both; and the Committee, by a vote of the majority of those present and voting, shall within a reasonable time but not later than thirty (30) days after such hearing, render its decision, which may be either to affirm or change the results of the election or to set aside such election. The Committee's decision (as reflected by a majority of those actually present and voting) on all such matters shall be final.

SECTION 3.5

Quorum

Either 5% (five percent) of the members present in person or fifty (50) but not less than fifty (50) members shall constitute a quorum. If less than a quorum is present at any meeting, a majority of those present in person may adjourn the meeting from time to time without further notice.

SECTION 3.6

Voting

Each member shall be entitled to only one (1) vote upon each matter submitted to a vote at a meeting of the members. All questions shall be decided by a vote of a majority of the members voting thereon in person except as otherwise provided by law, the Articles of Incorporation and these Bylaws. In the absence of the member holding a single membership, the spouse may vote.

- (a) Except as set forth in sub-part (b) below, each member shall be entitled to only one (1) vote upon each matter submitted to a vote at a meeting of the members. All questions shall be decided by a vote of a majority of the members voting thereon in person except as otherwise provided by law, the Articles of Incorporation and these Bylaws. In the absence of the member holding a single membership, the spouse may vote.
- (b) Each member shall be permitted to cast one vote on each issue voted on at any meeting of members. The Board of Trustees shall leave the existing balloting at meetings of members as is currently done or determine which one or several of these means shall be used: (i) direct ballot at any meeting of members, (ii) absentee, (iii) by mail, (iv) electronic means or (v) other practical means. The Board of Trustees shall order a process to be used which they find will enhance the ability of the membership to vote on any issue presented to vote, be secure and avoid fraud or errors in the voting process, and will not be unduly expensive or burdensome to the cooperative or its members.

SECTION 3.7

Order of Business

The order of business at the Annual Meeting of the Members and, so far as possible, at all other meetings of the members, shall be essentially as follows except as otherwise determined by the Board of Trustees or members at such meeting:

- (a) Report on the number of members present in person in order to determine the existence of a quorum;

- (b) Reading of the notice of the meeting and proof of the due publication of mailing thereof, or the waiver or waivers of notice of the meeting, as the case may be;
- (c) Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon;
- (d) Presentation and consideration of reports of officers, trustees and committees;
- (e) Election of board members;
- (f) Unfinished business;
- (g) New business;
- (h) Adjournment.

Notwithstanding the foregoing, the Board of Trustees or the members themselves may from time to time establish a different order of business for the purpose of assuring the earlier consideration of and action upon any item of business the transaction of which is necessary or desirable in advance of any other item of business: PROVIDED, that no business other than adjournment of a meeting to another time and place may be transacted until and unless the existence of a quorum is first established.

ARTICLE IV

Board Members

SECTION 4.1

General Powers

The business and affairs of the Cooperative shall be managed by a board of seven (7) members which shall exercise all of the powers of the Cooperative except such as are provided by law, the Articles of Incorporation or these Bylaws conferred upon or reserved to the members.

SECTION 4.15

Limitation on Capital Expenditures

Except for the repair or upgrading of existing facilities, or the construction of any facility for the transmission or distribution of electrical energy, no single capital expenditure in excess of \$500,000 shall be made unless said expenditure is approved by the Board of Trustees at a meeting at which a quorum of trustees is present. Thereafter, and before said action shall become final and the expenditure made, the action of the Board of Trustees shall be presented to the membership at the next Annual Meeting of Members, with notice to be given as is provided for in the notice of an Annual Meeting and with the minute entry of the action of the

Trustees set forth verbatim in said notice. If the members present and voting at a meeting at which there is a quorum by a majority of three-fifths (3/5) of those voting disapprove said action, it shall fail. If no action is taken or action of disapproval fails, then the action of the Trustees shall stand. Action for disapproval may be taken only at the Membership Meeting next following in time of the initial action of the Trustees.

If the Board of Trustees deems any capital expenditure limited by this paragraph to involve an emergency, which should be acted upon before the next regular Annual Meeting of Members, the Board of Trustees, by a majority vote shall call a special meeting of members. Said special meeting shall be held at a place selected by the Board of Trustees at a time no less than ten (10) days or no more than thirty (30) days after notice to members. Notice shall be given by regular mail.

SECTION 4.2 Qualifications, Election and Tenure

The persons named as trustees in the Articles of the Incorporation shall compose the Board of Trustees until the first Annual Meeting or until their successors shall have been elected and shall have been qualified. If the election of trustees shall not be held on the day designated herein for the Annual Meeting, or at any adjournment thereof, the Board of Trustees shall cause the election to be held at a special meeting of the members as soon as thereafter as conveniently may be. Trustees shall be elected by ballot at the Annual Meeting of the Members in the year 1966, by and from the members to serve for one (1) year from Districts 1, 2, 3, 4, 5, 6 and 7.

In succeeding years, trustees shall be elected by ballot at each Annual Meeting of the Members, by and from the Members, as follows:

Trustees shall be elected by ballot at the Annual Meeting of the Members in the year 1967, by and from the members, to serve for a term for one (1) year from District 1 and 6; to service for terms of two (2) years from Districts 2 and 4; and to serve for terms of three (3) years from Districts 3, 5 and 7. Thereafter, trustees shall be elected for three (3) years as the above terms expire.

No person shall be eligible to become or remain a trustee or to hold any position of trust in the Cooperative who:

- (a) Is not a member of the Cooperative and a bona fide resident of the particular District being represented; or
- (b) Is in any way employed by or financially interested in a competing enterprise or a business selling electric energy or supplies to the Cooperative, or a business primarily engaged in selling electrical or plumbing appliances, fixtures or supplies to the members of the Cooperative.

Upon the establishment of the fact that a trustee is holding office in violation of any of the foregoing provisions, it shall immediately become incumbent upon the Board of Trustees to remove such trustee from office.

Nothing contained in this section shall affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Trustees.

SECTION 4.3 Nominations

It shall be the duty of the Board to appoint, not less than sixty (60) days before the date of a meeting of the members at which the Trustees are to be elected, as many district committees on nominations as there are trustees to be elected, each such committee is to be composed of three (3) members from the district of the Cooperative from which a trustee is to be elected.

The District Committee on Nominations from each such district shall meet within the boundary of their district in a publicly announced meeting in sufficient time to accomplish their duties in an orderly

They must nominate at least two (2) candidates from their district if two or more qualified and willing candidates may be found. No board member shall receive compensation for serving the Cooperative in any other capacity, nor shall any close relative of a board member, as set forth in the Nepotism Law of the State of Montana, receive compensation for serving the Cooperative, unless the payment and amount of compensation shall be specifically authorized by a vote of the members of the service by the Board Member or his close relative shall have been certified by the Board as an emergency measure. SECTION 6.11

The Officers of the Cooperative shall submit at each Annual Meeting of the Members a report covering the business of the Cooperative for the previous fiscal year. Such report shall set forth the condition of the Cooperative at the close of such fiscal year.

ARTICLE VII

Non-Profit Operation

SECTION 7.1

Interest or Dividends on Capital Prohibited

The Cooperative shall at all times be operated on a Cooperative non-profit basis for the mutual benefit of its patrons. No interest on dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

SECTION 7.2

Patronage Capital in Connection with Furnishing Energy

In furnishing electric energy, the Cooperative's operations shall be so conducted that all patrons will through their patronage furnish capital for the Cooperative, subject to the authority of the Board of

Trustees to provide for uniform rules to manage said capital credits within the terms of this bylaw.

In order to induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on an equitable basis to all of its patrons for all amounts received and receivable from the furnishing of electric energy. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obligated to pay by credits to a capital account for patrons all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished is clearly reflected and credited in an appropriate record to the capital account and the Cooperative shall within a reasonable time after the close of the fiscal year notify patrons of the amount of capital credited. All such amounts credited to the capital account shall have the same status as though they had been paid to the patrons in cash in pursuance of a legal obligation to do so and the patrons had then furnished the Cooperative corresponding amounts for capital.

All other amounts received by the Cooperative from its operations in excess of costs and expenses shall, insofar as permitted by law, be;

- (a) Used to offset any losses incurred during the current or any prior fiscal year; and
- (b) To the extent not needed for that purpose allocated to its patronages on an equitable basis and any amount so allocated shall be included as part of the capital credits to the accounts of patrons as herein provided. Notwithstanding such allocation, the right shall vest or accrue only as set forth below.

The individual members have a right to their respective portion of the capital credits retired to the membership; however, this right shall only vest or accrue when the individual member accepts the Cooperative's offer to receive a capital credit payment.

In those years when the Board of Trustees decides to retire capital credits to the membership, the Cooperative shall offer the individual members an opportunity to receive a capital credit payment within a reasonable time after the close of the fiscal year. This may include, but not be limited to, the sending of a check which, when cashed by

the member, shall be sufficient proof of notice and acceptance. The Cooperative may charge against the capital credits of the member involved a fee for searching for them to make such offer.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members. If at any time prior to dissolution or liquidation, the Board shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital credited may be retired in full or in part. Any such retirements of capital shall be made in accord with uniform rules to be adopted by the Board and these Bylaws. These uniform rules include, among other things, a provision for a minimum payment to be made, provided, however, that a final payment shall be made, no matter how small which shall satisfy the payment of capital credits in full.

Without intending to change the provision above requiring that the right to their respective portion of the capital credits shall only vest or accrue when the individual member accepts the Cooperative's offer to receive a capital credit payment, capital credited, or to be credited, to the account of each patron, shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative unless the Board, acting under policies of general application, shall determine otherwise.

Notwithstanding any other provisions of these Bylaws, the Board at its discretion, shall have the power at any time upon the death of any patron, if the legal representatives of the estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these Bylaws, to retire capital credited to any such patron, immediately upon such terms and conditions as the Board, acting under policies of general application, and the legal representatives of such patron's estate shall agree upon; provided, however that the financial condition of the Cooperative will not be impaired thereby.

Notwithstanding any other provision of the Bylaws, the Board in its discretion is hereby authorized to adopt a policy allowing the

Cooperative to offset, set off, or recoup a member's unpaid power bill with accrued capital credits. Further, the Board policy may permit the Cooperative to discount the capital credits used for this purpose to the net present value, at the time of offset, set off, or recoupment.

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and by the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this Article of the Bylaws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's office.

ARTICLE VIII

Disposition of Property

The Cooperative may not sell, lease or otherwise dispose of all or any substantial portion of its property unless such sale, lease or other disposition is authorized at a meeting of the members thereof by the affirmative vote of not less than two-thirds (2/3) of all the members of the Cooperative, and unless the notice of such proposed sale, lease or other disposition shall have been contained in the notice of the meeting; provided, however, that notwithstanding anything herein contained, the Board of the Cooperative, without authorization from the members thereof, shall have full power and authority to authorize the execution and delivery of a mortgage or mortgages or a deed or deeds of trust upon, or the pledging or encumbering of, any or all of the property, assets, rights, privileges, licenses, franchises and permits of the Cooperative, whether acquired, and wherever situated, as well as the revenues and income therefrom, all upon such terms and conditions as the Board shall determine, to secure any indebtedness of the Cooperative to the United States of America or any instrumentality or agency thereof or to any other financing sources within the United States; provided, further, that the Board may upon the authorization of a majority of those members of the Cooperative present at a meeting of the members thereof, sell, lease, or otherwise dispose of all or a substantial portion of its property to another cooperative or foreign corporation doing business in this State pursuant to the Act under which this Cooperative is incorporated.

All, checks, drafts or other orders for the payment of money, and all notes, bonds or other evidences of indebtedness issued in the name of the Cooperative shall be signed and/or countersigned by such officer or officers, agent or agents, employee or employees of the Cooperative and in such manner as shall from time to time be determined by resolution of the Board.

Any member or board member may waive in writing any notice of a meeting required to be given by these Bylaws. The attendance of a member or board member of any meeting shall constitute a Waiver of Notice of such meeting by such member or board member, except in a case a member or board member shall attend a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or conversed.
